

Les solides

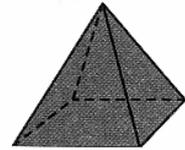

Je comprends

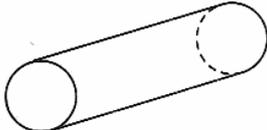

Un cube

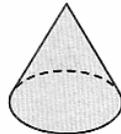

Un pavé droit

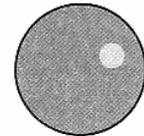

Une pyramide

Un cylindre

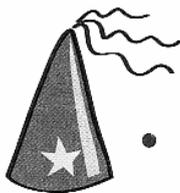

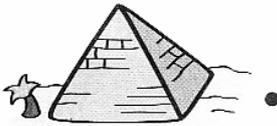

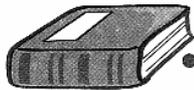

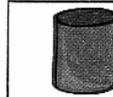

Un cône

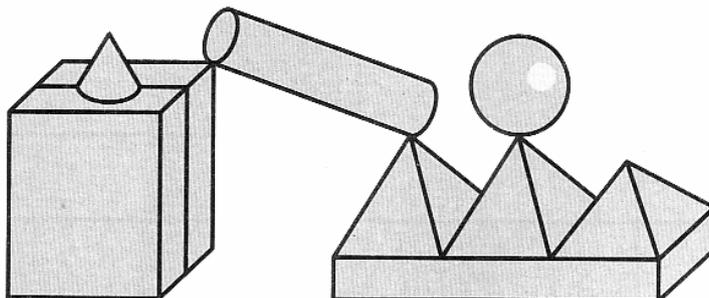

Une sphère

Je m'entraîne

1* Relie chaque objet au solide qui a la même forme, puis écris le nom des solides.

2** Observe le dessin et écris dans le tableau le nombre de solides de chaque type.

Cylindre	
Pavé droit	
Sphère	
Pyramide	
Cône
